**20+**

buyer's access points\*

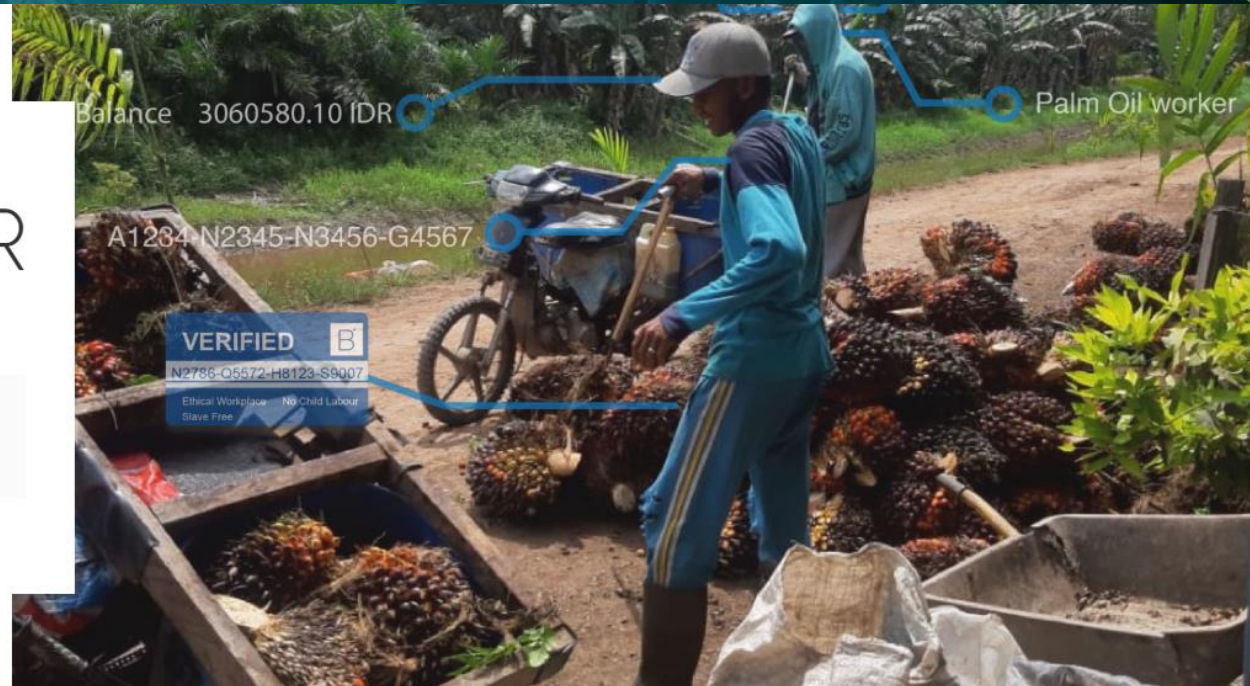

LOCALIS  
THE NEW  
GLOBAL

we are technological partner and exclusive rep. of UN approved global traceability solution

## BLUENUMBER Verifies Ownership

Identifying, Enabling and  
Empowering Everyone

Agroxy allows producers & suppliers products automated agri products traceability via supply chain .

# OUTPUTS

Agroxy = Local and global agri products traceability solution

Agroxy = regional producers access global markets

Agroxy = online tools , with paperwork automation built in.

Fewer intermediaries = better price and margins

# INPUTS

Agroxy allows suppliers and producers to trade efficiently on both local and regional scale.

INPUTs = seeds, fertilizers, equipment etc.

Fewer intermediaries = better price and margins

# SERVICES

Agroxy offers tools that let users easily find services from trusted third-party providers.

This part of business alone is huge, ranging from banking and insurance services to machinery sharing and logistics.

# TECHNOLOGY

Utilisation of our cutting-edge technology, connectivity and services makes work and life of farmers EASIER.

BLUE NUMBER (B#) (built in)

- + Out of the box agricultural online platform — more than just a trading solution ( logistics +supply chain +traceability)
- + Open source approach
- + Quick and professional customisation to fit local requirements
- + Cross-border connectivity via DLT based solution (built-in)

again if only ONE THING TO REMEMBER

# LOCALIS THE NEW GLOBAL
