

The BINARD Company, since its activity, is constantly developing in the direction of processing and export of agricultural products. And as a result of this, participation in various innovative projects of the agricultural sector. One of such priority projects for us today is the gluten-free direction. This processing of food grain sorghum from whole grains. The result of this is the production of 100% natural gluten-free products, which is necessary for a wide audience of diet, healthy and special food consumers all over the world: Pearled Sorghum Groats, Pearled Cut Sorghum Groats, Sorghum Flour, Sorghum Semolina. The raw material for the production of flour and cereals is high-quality food grain sorghum (cereals), which is grown on the territory of Ukraine under full control of the process from the company's side, from the moment of cultivation to processing into ready-made quality products and is an internal national product of plant growing in Ukraine.

Also, we are engaged in processing of other types of gluten-free and traditional flour using the method of classical grinding and the extrusion method:

Chickpeas flour, Lentil flour, Millet flour, Green/Yellow Pea flour, Grape Seed Flour, Flaxseed flour, Pumpkin seed flour, Buckwheat flour, Soybean flour, Amaranth flour, Milk thistle flour, Bean flour, Corn flour, Rice flour, Oat flour, Rye flour, Wheat flour, Barley flour.

Currently, we want to introduce new products: Spelt Groats and Spelt Flakes for healthy nutrition.

LLC "BINARD" is located in the capital of Ukraine, Kiev.

One of the main activities of the company is the export of agricultural products and processed products to Middle East and North Africa, Asia, Europe and many others:

White/Red sorghum, Oats, Vetch, Flax seeds, Chickpeas, Lentils, Green/Yellow peas, Mustard, Yellow/Red millet, Buckwheat, Haricot bean, Coriander seeds, Wheat, Barley, Soybeans, Yellow corn, Wheat bran, Oat fiber, Alfalfa Pellets, Sugar Beet Pulp, Sunflower Meal Pellets, etc.

Trade is carried out in accordance with Incoterms 2010 and the applicable terms and conditions of the GAFTA/FOSFA contract in the rules.

Long-standing traditions of quality and effective organization of supplies have made it possible to expand the geography of supplies of Ukrainian agrarian products to many countries in a short time.

Ukrainian and foreign partners appreciate us as a reliable supplier of raw materials for food, feed, fat and oil industry and poultry and livestock enterprises.

Our highly qualified team of professionals professionally works not only for themselves, but also for their partners, providing them with long-term mutually beneficial terms of cooperation.
