Today, Casper Ltd is one of Ukraine's leading producers of organic edible oils, which has grown to become the company's leading product. In Ukraine, it is sold under its own brand ORGANICO. It has a processing unit, which is certified according to ISO 22000, located near Odessa city, Ukraine's main sea port. We have been exporting organic oils under a private label into EU countries since 2015.

### Organic high oleic sunflower oil

The oil has a very neutral taste and provides excellent stability without hydrogenation. High oleic sunflower oil offers a trans free oil solution for customers. High oleic sunflower oil is ideal for products or production processes requiring a nutritional vegetable oil with naturally high stability and no additives.

### Organic mustard oil

Obtained by cold pressing of organic mustard seeds. It has a pure yellow colour and pleasant aroma.

### Organic rapeseed oil

Cold pressed rapeseed oil has the lowest saturated fat content of any commonly available cooking oil – it contains less than half the saturated fat that is found in olive oil.
